Dear sir/madam,

My name is Shishir Bastola and I am an undergraduate student at ACEM with a keen interest in Entrepreneurship. I am writing to apply for the get in the Entrepreneur Club in ACEM.

Ever since I was little my dream was to work in big tech company like Google,Apple,Microsoft,etc. I was not only interested in work in tech company but I was also fascinated by the the tech company as a system and how it all works to provide the best possible service to users.

Therefore, I enrolled in engineering program to make my dream come true.I understand the commitment that will be required of me on this programme. This is an opportunity that I am willing to make sacrifices for as it can improve my career.

I would appreciate the opportunity to be interviewed and to answer any further questions you might have for me.

Sincerely yours,

Shishir Bastola
